

Subject: The Gift of Empowerment and Support.

This year, the individuals and families we serve at **Pacesetters Inc.** taught us a profound lesson: the greatest gift isn't just assistance, its **presence**. When an individual with a disability receives care, they also deserve to be treated with **dignity**. Our specialized staff doesn't just manage needs; they honor the person. They provide the patience, the community, and the respect that makes a life feel full. For a family member, the greatest relief is knowing someone standing with them.

Your End-Of-Year donation helps fuel our mission to empower and support!

Before the December 31st tax deadline, will you consider making a year-end gift to help us continue empowering and supporting the persons we support?

Visit pacesetterstn.com/donate to view all of the ways your gift makes a difference and to make a donation.

You can also print this letter and mail your donation to:

Attn: Donation

Thank you for seeing the individuals we serve, and for helping us make their lives shine.

With deep gratitude,
Larry Rector, Executive Director

***P.S.** We keep our costs low to maximize our impact, but we can only sustain this level of compassionate, person-centered care with your help. Please send your gift today.*
