PACESETTERS PRESENTS

2025

Formal Fall Ball

The 2025 Formal Fall Ball was a great success! We truly appreciate everyone's support in making this a special event for those we serve in the Upper Cumberland. A special thank you goes out to those who attended and helped make the evening so memorable. This event provided our supported individuals with an unforgettable night of fun, laughter, and community. We're already looking forward to making the 2026 event even bigger and better!

USING CQL'S THREE E'S TO FIND YOUR COMMUNITY

WHAT ARE THE THREE E'S?

As we face new situations and decisions in life, we rely on past experiences, new knowledge, and trying different options. CQL captures this through the "Three E's": Education, Experience, and Exposure. These aspects are key to informed decision-making, especially in community life.

EDUCATION

- Online Platforms: Meetup, Facebook Groups, local event websites
- Explore volunteer opportunities based on personal interests
- Identify local resources to experience events, markets, shows, festivals, concerts, and more!
- Consider the person's culture, identity, and preferences

Factor

EXPERIENCE

- Partner with volunteer organizations and colleges/schools
- Explore community programs like the YMCA/other nonprofits
- Check out local community centers for workshops and classes
- Don't forget your local library!
- Engage with religious or spiritual organizations and churches
- Explore local businesses
- Get involved with neighborhood associations, Nextdoor App

EXPOSURE

- Don't be afraid to start conversations in person or online!
- Be open to meeting people from different backgrounds/cultures
- Pair people with support staff with similar interests/experiences
- Help people make an effort to stay in touch with people
- Assist people to invite others to activities/events
- Be patient! Building a community takes time
